PROJECTS INDIA PVT. LTD.

ENGINEERS | CONTRACTORS | BUILDERS

About us

SVS Projects was founded in 1991 and specialises in building, real estate, and development in India. We are deeply committed to designing environments that both inspire and serve clients in the private and public sectors.

Our core markets include commercial offices, mixed-use buildings, residential, retail, education, distribution & logistics, hotels, and leisure.

Our focus is on surpassing customer expectations, leaving a good legacy in the communities we serve, safeguarding the environment for future generations, and creating a safe and inclusive workplace for our employees, all of which are driven by our strong business values.

SVS hosts a team of experienced project managers, civil engineers and trained field crews with over thirty years of combined experience in the construction industry.

Vision: To become the leading construction firm by continually exceeding international standards, providing great customer satisfaction, practicing ethical legal laws in the country and promoting CSR.

Management Team:

Chairman: B. V. S. Rao (Babji)

Executive Director: T. B. Naidu

Director: B. Sai Adarsh

Director: Prajwal Nagiseti

Our business:

- **Construction:** We substantially contribute to **SVS's** image and prestige across India, driving our reputation as the top builder of 21st century India by delivering huge industrial and infrastructural projects from idea to completion on a turnkey basis with single-source accountability. Our company consists of unique but complementary competencies that address various areas of infrastructure and industry.
- **Machinery:** We have one of the most technologically advanced machinery that helps in the timely completion of construction.
